## Esteemed Colleague in Surgery:

The International Relations Committee of the American College of Surgeons would like to request posters from sister societies around the world for public display at the 92<sup>nd</sup> Annual Clinical Congress, to take place 8-12 October 2006 in Chicago, Illinois.

We will have space to display approximately ten posters. Therefore, we will mount the first ten suitable posters that we receive. We would prefer to receive posters from societies rather than posters from individual society members.

If your society would care to participate in this display, please send a poster to the following address:

Ms. Kate Early  
International Liaison Section  
American College of Surgeons  
633 North St. Clair Street  
Chicago, IL 60611-3211  
USA

Posters may be up to 8 ½ "by 11." They may be smaller than this, but please do not send larger posters.

We need to receive all posters by 22 September 2006 in order to convey them to the convention center in a timely manner. Should you have questions, please contact Ms. Early via email, at [kearly@facs.org](mailto:kearly@facs.org).

Thank you in advance for your interest in this request. I hope to greet many of you in Chicago.

Sincerely yours,

John R. Benfield, MD, FACS  
Chair, International Relations Committee
